SlideRenu™ offers the most comprehensive turn-key solution for resurfacing and rejuvenating color faded water slides. Our CLEAR SHIELD coating re-hydrates oxidized surfaces to bring back the slide's like-new color and appearance. Available in a wide variety of colors, our COLOR SHIELD coating changes the existing color of severely weathered slides and extends their useful life. All of our restoration coatings come with a limited product guarantee against excessive chalking, color loss and peeling. SlideRenu™ also offers an Opening Day Start Up Program that can be tailored around your maintenance budget.
